EMERGENCY JOINER

Pat Olbison (Ackworth)

Telephone 07779485572.

We have had another fantastic offer from a great resident in the village; Pat Olbison (the Joiner on Wakefield road).

He is offering his services during this crisis - he will respond to any emergency that people may have, e.g. a door that can't be locked properly.

What's more he will offer that for free.

If you would like to add other relevant services to this list please let us know. Please email info@ackworthparishcouncil.gov.uk

This list has been compiled by Covid-19 Community Response Ackworth Team from feedback received from residents on services they have used during these very difficult times. They do not endorse any of the services offered.
